BOARD OF REVENUE MADRAS 21 AUG 1937

To

The Secretary to
The Board of Revenue,

Madras.

Ref.C. No.3041/37, dated 19th July 1937.

Sir,

Enclosures 1

Spare

Alienation - land - Bellary Taluk - Meenahalli village - S.Nos. 179/2, 179/4 and 84/1/B - for use as Pumping station, well and staff quarters.

The Hagari water works are situated in the following fields lying in Meenahalli village of Bellary Taluk.

	S.No.	Extent	Classification.
Meenahalli village.	179/2	25.30 acres	Hagari Por:
"	179/4	3.28 "	Do.
"	84/1-B	0.58 cents.	Assessed waste.

The occupation was being booked under Land Encroachment Act ever since the establishment of the Hagari Pumping Station and Land Revenue was being collected every year from the Municipal Council, Bellary. The circumstances under which the land was allowed to be occupied by the Municipality before the land was actually alienated are not known.

2. The Municipal Council, Bellary has now applied for the alienation of the lands in favour of the Municipal Council. As the Municipal Council is deriving some income in the shape of water tax it does not appear to be necessa to alienate Land Revenue in this case. I therefore request that the Board may be pleased to sanction the alienation o the land in favour of the Municipal Council, Bellary. The alienation statement for land in the prescribed form toget with the subdivision records, the combined sketch and a co of the resolution of the reduction of the Municipal Council is T.V. statement submitted by the Tahsildar, enclosed. The trees now standin the lands are

planted and reared by the Municipal Council. Hence no tree value need be collected in this case.

2/ The alienation proposal, are complete in the case. Total extent 29.16 acres. The condition may be imposed to the effect that no other building shall be constructed on the land without the permission of the Coln and that no compensation will be paid on resumption in respect of such buildings. The formal consent of the Municipal Council is also necessary. There are trees worth Rs 1113-0. As they were not assessed and reserved by the Municipal Council, the Coln recommends that the trees need not be collected. His recommendation may be accepted. Necessary conditions to maintain the same may be imposed for the Government while the lease is imposed. The market value of the land is Rs 1,10-0. Appropriate land assessment may be fixed for the foreshore lands. As they appear to be outside the

Municipality, Government need not be
consulted. As regards the assessed waste,
Harcum assessment may be collected
The alienation of land subject
